

Calgary's Leading Caulking Contractor Since 1982

Since 1982, Sure-Seal has built our business based on one simple premise—an unwavering commitment to quality. We have grown into the largest and highly respected caulking and retrofit company in Calgary, because we consistently deliver quality workmanship, customer service and safety.

Safety

We pride ourselves on our commitment to safety. With safety always top of mind, our workers and clients look to us for best practices. Our safety programs go above and beyond regulatory standards to ensure everyone's safety at our shop facilities.

NOW HIRING

Sure Seal Contracting Ltd. is preparing for growth when the Covid restrictions allow. We will be recruiting for many positions including:
